Islamic Studies

for Children

In the Name of Allah, the Most Merciful

Note to Parents

The intention of this book is to help my children and the rest of the Ummah's children understand the basic affairs of the correct aqeedah (beliefs) of the Muslim.

I designed this book so it is easy for small children to read themselves. This book is not meant to be comprehensive, rather it is simple and engaging for children between the age of 4 to 7-years-old.

Contents

- (1) Who is your Lord?
- (2) Who is your Prophet?
- (3) What is your religion?

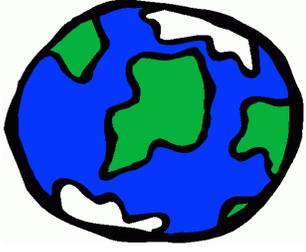

This book was written by;

Zee Um Aasiyah

This book was derived from;

'Al-Fusool' of Shaikh Ibn Katheer, - Rahimahullaah

Usoolul Thalaltha explanation of Shaikh Uthaymeen - Rahimahullaah

(1) Who is your Lord?

مَنْ رَبُّكَ؟ رَبِّي اللَّهُ

My Lord is Allah, who has nurtured me and all of the creation with His blessings.

Allah created everything we see including me and you.

Allah created all the people.

Allah created all the animals even the tiny bugs.

Allah created the plants and the mountains.

Allah created the sky, the sun, the moon, and the beautiful stars.

Allah created the oceans and the rivers.

Allah created the Angels and the unseen.

Allah created all the planets and the whole of universe.

الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ

All praise is (due) to Allah, Lord of the worlds''

Did you know that there is no one like Allah?

There is no one like Allah.

Allah gave us our eyes, legs, hands and health. Can anyone else do that? No! There is no one like Allah.

Allah gave us our mothers, fathers, sisters, brothers, aunts, uncles and the rest! Can anyone else do that?

No! There is no one like Allah.

Allah is way up above the sky. Allah is above everything. Can anyone else be that high? No! There is no one like Allah.

Allah has no father or mother and He has no children. Is anyone else like that? No! There is no one like Allah.

Allah knows everything we do every day. Can anyone else know everything we do? No! there is no one like Allah.

Allah is One and there is no one else like Him.

قُلْ هُوَ اللَّهُ أَحَدٌ
اللَّهُ الصَّمَدُ
لَمْ يَلِدْ وَلَمْ يُولَدْ
وَلَمْ يَكُن لَّهُ كُفُوًا أَحَدٌ

1. "Say: He, Allah, is One,"
2. "Allah, the Eternal,"
3. "He begets not, nor is He begotten,"
4. "And there is none like Him."

(Quran 112 v 1-4)

New Words

- begets
- begotten

meaning, He does
not have any
child nor parent

Thinking Time

Does Allah have any children ?

Allah gives us Food Everyday

Every day, when, I wake up, I eat breakfast to worship Allah more and more. Allah gives us food every day.

Alhamdulillah!

Every day, I put on my clothes to keep warm. Allah gives us our clothes. Alhamdulillah!

Every day, my mother teaches me so I can know. Allah gave us our mothers and fathers and our brothers and sisters. Alhamdulillah!

Every day, I get to play and have fun. Allah made us healthy. Alhamdulillah!

Every day, I can use my legs to walk and my hands to write. Allah gave us our hands and feet. He gave us our eyes and our ears. He gave us our tongues and our teeth.

I love Allah! He gave us everything. He is;

الرَّزَّاقُ

Ar-Razzaq

The one who Provides

Allah is One

Tawheed Al Ruboo-bi-yah

Allah is the only Lord

We believe that Allah alone is the only **Lord (Rabb)**. Allah has no partner, children, mother or father. He created everything we see and gives us all that we have.

Alhamdulillah! Allah knows everything we do; He is with us by His knowledge.

“Not a leaf falls, but He knows it”
(Quran 6:59)

Thinking Time

Can you think of some very special things, Allah created ?

Tawheed Al Uloohiyyah

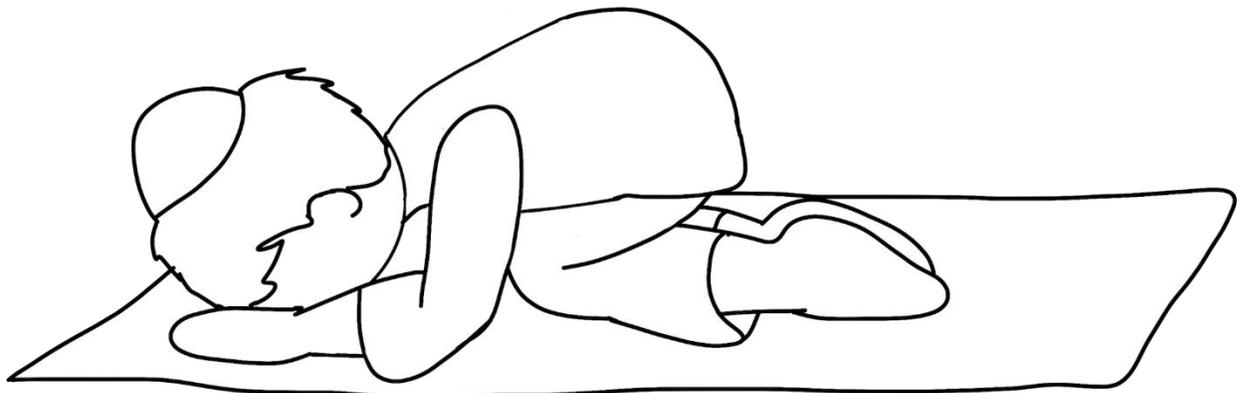

Worship is for Allah alone.

We believe that all ibadah/worship should be done for Allah **alone**. This means that we should do all good deeds for Allah **alone**.

Allah does not like bad deeds so we stay away from bad deeds for Allah **alone**.

We should pray and ask Allah **alone**, He can give us all that we need! Remember Allah does not need us but we all need Him.

“Indeed, I am Allah. There is no deity except Me, so worship Me and establish prayer for My remembrance.” (Quran 20:14)

Thinking Time

Can you think of some good deeds you can do for Allah today. ?

Tawheed Asmaa Wa Sifaat

Allah has the best names and attributes.

We believe in all the beautiful names and Attributes of Allah. We believe that Allah's attributes are not like ours because there is no one like Him. Allah is 'As Samee' 'The one who hears everything', we too can hear, but we cannot hear everything in the whole of universe. Allah is The one who hears everything because Allah's names and attributes are perfect and there is no one like Allah.

“There is nothing like Him, He is the All-Hearer, the All-Seer.”

As Samee – The All Hearer (the one who hears everything)

Al Baseer – The All Seer (the one who sees everything)

Maashaa Allah! You have just learn two attributes of Allah.

Thinking Time

Can you think of **five** names and attributes of Allah

(2) Who is your Prophet?

مَنْ نَبِيِّكَ؟ نَبِيِّ مُحَمَّدٍ

Muhammad (sallallaahu 'alayhi wa sallam) is our Prophet. Allah sent him to all the people.

When you say prophet Muhammad you should always say **sallallaahu 'alayhi wa sallam**.

Prophet Muhammad lived a long time ago.

Full Name

His full name was Muhammad ibn Abdullah ibn Abdul Mutallib ibn Haashim; He was from the Quraysh (Arabs).

Date of Birth

He was born on a Monday in the Islamic month of Rabee Al Awwal in Mecca.

Have you
been to the
Prophets
Majid
before?

Mother

Prophet Muhammad's (sallallaahu 'alayhi wa sallam) mother was called Aamina.

Father

Prophet Muhammad's father was called Abdullah.

Growing up

Muhammad (sallallaahu 'alayhi wa sallam) grew up as an orphan, he was raised by he's grandfather and then he's uncle Abu Taalib who took very good care of him. Prophet Muhammad (sallallaahu 'alayhi wa sallam) was breastfed by a woman called Halima.

When Prophet Muhammad (sallallaahu 'alayhi wa sallam) was young, he worked as a shepherd just like the other Prophets. He also used to work in trade (buying and selling) with his uncle Abu Taalib.

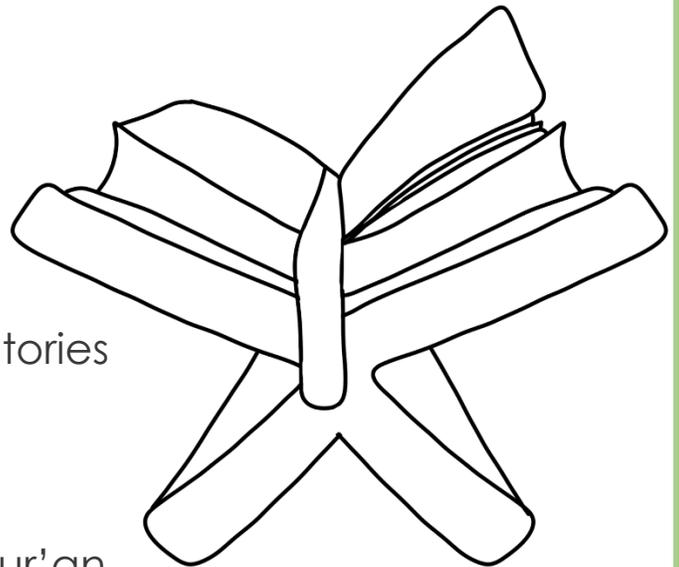

Do you know what this says?

The Qur'an and Prophet Muhammad

Allah sent the Qur'an to Prophet Muhammad to teach us Tawheed. Angel Jibril brought down the Quran to Prophet Muhammad at **the cave of Hira** near Mecca. He became a prophet when he was 40 years old.

The Qur'an is Allah's Book

We should read and listen to the Qur'an every day. The Qur'an is very beautiful. We can learn a lot from the Quran like the amazing stories of the prophets.

The Kind Prophet

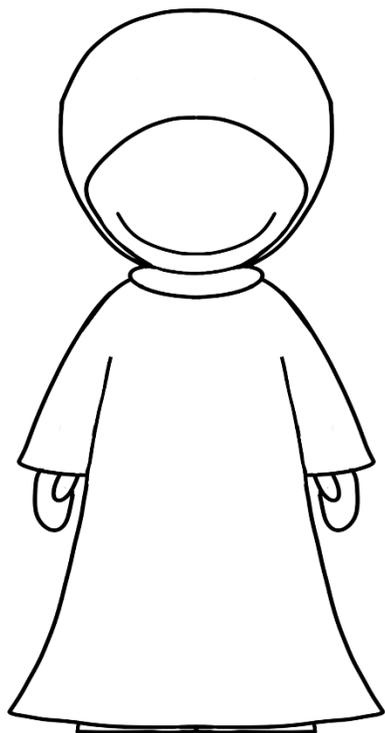

Prophet Muhammad loved the Qur'an, he loved Allah's Book. He was very kind and full of mercy even when others were cruel to him. He was the best person ever! We should all try and be like him.

We do not pray to him

When prophet Muhammad was 63 years old he passed away in Medinah. We love prophet Muhammad very much, but we do not pray to him. We pray to only Allah! Allah is always alive and He always hears our prayers. There is no one like Allah.

Do you remember

- 1) What was Prophet Muhammad's mother and father called?
- 2) Who raised Prophet Muhammad after his grandfather passed away?
- 3) What did the Prophet Muhammad work as?
- 4) Where was Prophet Muhammad born?
- 5) What is Prophet Muhammad's full name?
- 6) Was Prophet Muhammad born on a Monday or Friday?
- 7) What age did Muhammad become a Prophet and where was he?
- 8) Why was the Quran sent to Prophet Muhammad?
- 9) Do we pray to Muhammad?

Maa shaa Allah!

Tawheed.

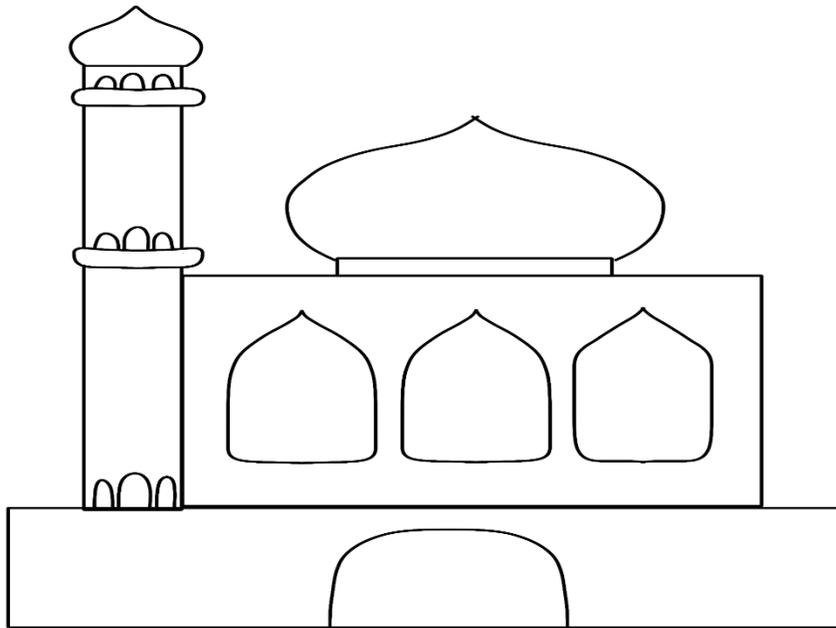

We do everything Allah tells us to do because we are
