Allah is One

Allah is One!

Like no other
No mother, No father,
No sister, No brother,
No daughter, No son,
Allah is One
Related to None!

Allah Created Everything

Allah created everything we see including me and you!

Allah created all the people.

Allah created all the animals even the tiny bugs!

Allah created the plants and the mountains.

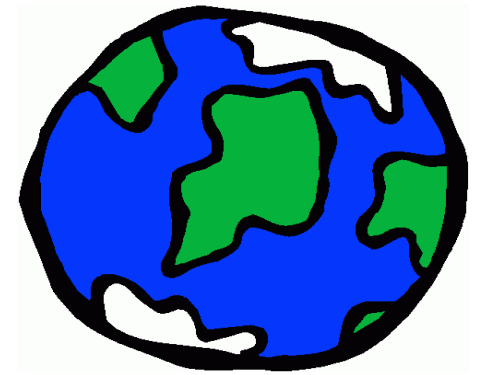

Allah created the sky, the sun, the moon, and the beautiful stars.

Allah created the oceans and the rivers.

Allah created the Angels and the unseen.

Allah created all the planets and the whole of universe.

SubhanAllah isn't Allah Great!

Everyday

Every day, when, I wake up, I eat breakfast so I can worship Allah. Allah gives us food. Alhamdulillah!

Everyday, I put on my clothes to keep warm. Allah gives us our clothes. Alhamdulillah!

Every day, my mother teaches me so I can know. Allah gave us our parents. Alhamdulillah!

Every day, I get to play and have fun. Allah made us healthy. Alhamdulillah!

Every day, I can use my legs to walk and my hands to write. Allah gave us our hands and feet. He gave us our eyes and our ears. He gave us our tongues and our teeth.

I love Allah! He gave us everything.

For He is Ar Razzaq.

My deeds are for Allah alone

Allah ALONE is who I worship,
no one else but He.

My Deeds are for
Allah Alone
with love, hope
and piety.

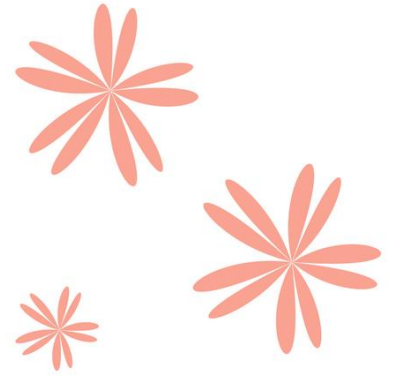

Thank You Allah

For All the things
we have today;
For all our family
we love so much,
For home
we build memories.
For food
we eat.
For clothes we keep warm,
I thank you,
Oh Allah.

I love Allah

I love Allah for He keeps me going every day.

I love Allah for He has blessed me with my favorite people.

I love Allah for He gives me tests so I can know.

I love Allah for He protects me from the worst.

I love Allah for as long as I have Allah

I have everything.
